Additions to Constitution and By Laws. **To vote individually, check the box to vote FOR the amendment.**

- Amendment 1: By-Laws Article IV Nominations and Elections, section 2:
 - The Nominating Committee may present a slate that includes two or more persons for the same office, having determined that the nominees prefer to share the duties for that office rather than serve alone. They would serve as “Co-“ whatever-the-office-is.
 - The Nominating Committee may present a slate that includes one or more “Interns” who are considering becoming either a director or officer, but want to learn more about what that involves.
- Amendment 2: By-Laws, Article V Duties:
 - Co-Presidents, Co-Vice Presidents, Co-Recording Secretaries, Co-Corresponding Secretaries, or Co-Treasurers will share the duties for the office as they see fit. No formal plan is required.
 - An Intern for any position is expected to attend the meetings for that position and may participate in any discussion, deliberation, or work effort. The Intern’s term is the same as the actual officer’s or director’s term. The Intern does not vote. The Intern may resign at any point during her/his term.
